2021 Tri-State SARE Project Field Webinars

Improving Pasture Management for Sustainable Livestock Production

Pasture Assessment Webinar
Wednesday, August 11th
10 am to 12 noon*
OR
Friday, August 13th
12:30 to 2 pm

Join Jim Hyde (CT NRCS) and Susan Parry (PA NRCS) as they discuss different tools for basic pasture assessment. Interactive breakout sessions will be part of the webinar.

*An additional half hour will be included in the August 11th webinar for NRCS personnel who wish to learn more about NRCS specific pasture assessment tools.

Grazing Management Analysis Webinar
Wednesday, August 25th
10 am to 12 noon

Join us as we analyze Nick Weinstock’s (BOTL Farm) grazing management at his diversified livestock farm in Ashford, CT. A short video and interactive breakout sessions will be part of the webinar. This webinar is a follow up to the 2021 grazing plan series.

Webinars are open to service providers and farmers and will be comprised of time for instruction in addition to interactive breakout sessions. Please note that seats are limited.
